

Kansas Information Security Office

Kansas Cyber Summit

2022

WHEN: 25 October 2022, from 9:00 AM-5:00 PM

WHERE: Heartland Preparedness Center
2808 N New York
Wichita, KS 67214

AGENDA:

9:00 - 9:20	Welcome Jeff Maxon, State of Kansas	
9:20 - 9:50	Morning Keynote – Cyber Threats to the State and the Opportunities We Have Dr. DeAngela Burns-Wallace, State of Kansas	In this session we will talk about the current cyberthreats to the state. We will also discuss the historic opportunities we have with the influx of funding opportunities such as ARPA, IJJA, and the DHS state and local cybersecurity grant program. Building a community around cyber is imperative for maximizing the impact of these opportunities and elevating cyber across Kansas.
9:50 - 10:10	Break and Networking	
10:10- 11:10	Cyber Recruitment and Workforce Development Panel Discussion and Q&A Moderated by Mike Mayta, City of Wichita Sharmelle Winsett, KC Scholars Joe Jabara, WSU	The cyber professional shortage is real. In this discussion, panelists will talk about ways to possibly address the shortage in Kansas, especially in the public sector.
11:10 – 11:30	Supply Chain Risks with Q&A Jeff Maxon, State of Kansas	The products, software, and vendors we choose, and use, may present risks to an organization’s operations. In this session we will hear from Jeff Maxon about some of these supply chain risks and how we can address them.
11:30 – 1:00	Lunch and Networking	Optional Cybersecurity Grant Q&A on the drill floor 12:15 – 12:45
1:00 – 1:30	Afternoon Keynote - True cyber emergency stories and leadership action plans Dan Lohrmann, Presidio	In this session, Dan Lohrmann will talk about the dramatic increase in major cybersecurity incidents affecting all organizations. He will talk about this trend and, including true stories, from his new book: Cyber Mayday and the Day After: A Leader's Guide to Preparing, Managing, and Recovering From Inevitable Business Disruption.

1:30 – 2:00	Keynote Q&A “Impacts of cyber incidents on localities” Moderated by Bruce Chladny, KAC Dan Lohrmann, Presidio John Deardoff, LKM	In this session, Bruce Chladny, Executive Director of the Kansas Association of Counties will moderate a question-and-answer session with our afternoon keynote speaker and John Deardoff, who lived through an incident here in Kansas. Topics will include impacts of cyber incidents to local organizations, importance of cyber, why this matters to elected officials, and participant questions.
2:00 – 2:10	Break	
2:10– 2:50	184th Wing Cyber Capabilities with Q&A Lt. Col David Carpenter, 184 th Wing	The Kansas Air National Guard has a tremendous cyber presence in Wichita. In this session, attendees will learn about the 184 th Wing and how they are contributing to the larger cyber picture.
2:50 – 3:10	Break and Networking	
3:10– 4:10	Cyber Resources Available to Public Sector Panel Discussion with Q&A Moderated by Erin McGinnis, State of Kansas Karen Sorady, CIS/MSISAC Winnie West, CISA Jeff Maxon, State of Kansas	Multiple resources available to assist public sector organizations in protecting their environments from a cyber-attack or helping them respond to a cyber-attack. In this session, attendees will hear about resources available and how to access them. In many cases, resources are provided for free or at a reduced cost.
4:10 – 5:00	Brainstorming with Attendees	Attendees will brainstorm on how we can advance the “whole-of-state” approach to cyber. What is needed? What challenges are organizations facing? What are some possible solutions?
5:00 – 7:00	Reception	Reception is hosted by and sponsored by KCAMP and the Greater Wichita Partnership.

Coffee has been graciously provided by WSU Industry and Defense Programs.
